

AGF Announces the Passing of CEO and CIO Kevin McCreadie

AGF Management Limited (AGF) announced on July 3, 2025, the sudden passing of Kevin McCreadie, Chief Executive Officer and Chief Investment Officer of the firm.

Given the announcement, the AGF Board of Directors has activated its succession plan protocols and named Judy Goldring (AGF's President and Head of Global Distribution) as CEO, effective immediately.

Judy will work closely with AGF's Office of the Chief Investment Officer (established under Kevin's leadership) as this body continues to lead AGF's investment management team.

IMR continues to be in contact with AGF, and will provide an update upon completion of our review.
